

Hello Parents,

Today was a great first day of school! The students were so enthusiastic and eager to get started.

Thanks to those who were able to make it out to Open House on Monday. We enjoyed getting to meet both the students and their parents.

If you were not able to join us for open house, the class *Welcome Back Letter* and the forms from the school office are all coming home today in a manila envelope.

Please return all forms in the envelope and send in supplies by next Monday.

To sign up for the class newsletter or take the PTO survey, please go to <http://huneycutt.weebly.com>. Links to both forms are posted there.

There is no homework this week! Homework will start next Monday.

Have a great week!

Mrs. Huneycutt and Miss Melson
