A Message from Albemarle County School District

Online registration verification for the 2017-2018 school year is now past due. You will need to use the PowerSchool Parent Portal to access the InfoSnap registration system.

How do I get started?

If you have a PowerSchool Parent Portal account, go to <https://sis.k12albemarle.org/> and sign in to the PowerSchool Parent Portal. From the Parent Portal:

1. Select the student you wish to update along the top
2. Click the Student Registration Verification button on the left sidebar
3. Enter your student's date of birth to verify access to the form
4. Follow the prompts to begin the form
5. Review all information on each page and make changes where necessary

If you do not yet have a parent portal account, please contact Ms. Shifflett in the office.

For more information please visit the [Registration Verification page](#) on the ACPS website.

Parents > Student Registration > Registration Verification

PLEASE NOTE: The Crozet Office still needs the blue registration card to be filled out as well. This is so in times of power failure the office still has an emergency number.
