## A MESSAGE FROM THE TEACHER

Thanks to all parents who attended parent-teacher conferences. I feel I know my students better now that I have met with their parents!

We have a **Fall Party** coming up on the **31<sup>st</sup>**. Please see the **Sign-Up Genius** on our Weebly to help with providing refreshments. The school will be celebrating **Book Character Day** on the party day. Students are invited to wear a costume. You do not need to come up with a different costume than the one they plan to wear for Halloween. I can help them find a book the week before Halloween to go with whatever costume they will wear. Also, students can opt to not wear a costume to school.

## LAST WEEK'S HIGHLIGHTS

**Reading:** *What Mary Jo Shared, the Paperboy, Awesome Autumn, Bad Day at Riverbend, Ben's Dream*

**Writing:** *When Autumn Falls* sensory poems

**Math:** geometry: polygons and quadrilaterals, testing for rectangles by measuring corner angles, STEM: 3D Geometric Creations

**Science/SS:** states of matter: molecular structure and examples of states of matter
