This just in...

A MESSAGE FROM THE TEACHER

The 2nd grade teachers participated in a professional development conference at **Lewis Ginter** last week. We brought back all kinds of ideas to share with the students for our next units on weather and plants and animals.

Thanks to everyone who could make it out to **Community Night** last Thursday. The steppingstones look awesome! Students who were not able to come to Community Night painted their stones on Friday. We will be moving the stones to the rain garden this week.

Plans are underway for our next field trip to Natural Bridge. Chaperones are needed! The form is attached. Look for a paper copy in this week's Tuesday Folder.

LAST WEEK'S HIGHLIGHTS

Reading: 2nd week of book group work, began New Read Aloud, *Muggie Maggie*

Writing: St. Patrick's Day writing prompts

Math: add and subtract tens and ones with missing add-ends, elapsed time up to 4 hour increments, counting dollars and cents up to \$10

Science: weather unit: water cycle, temperature, reading a thermometer, thunderstorms

Other fun stuff: Graphing Lucky Charms, STEM time: GoldiBlox craftivity kits OR making leprechaun traps with our LEGO Learn-to-Learn kits
