### A MESSAGE FROM THE TEACHER

Spring Break is just around the corner! Friday is a Green Work Day for teachers and the first day of Spring Break for students. I would love for students to read over the break for pleasure, but there is no need to keep a reading log, so please turn in the Homework Folder and this week's log on Thursday.

Last week we took a break from word study and have been having an emphasis on grammar. We will pick up with Word Study after Spring Break.

Just a reminder that our last field trip to Natural Bridge will be on April 24th. Return permission slips no later than April 10<sup>th</sup>.

I hope everyone enjoys Spring Break!
