A MESSAGE FROM THE TEACHER

Hello and welcome back! I hope everyone enjoyed the Spring Break! This week students have a special homework assignment to share something about their spring break. Please see the assignment write-up in the homework folder.

This next quarter is a very exciting one for second grade as students become the independent learners they need to be for third grade. We will engage in research reports, give more lengthy oral presentations, and increase the student's stamina in reading. With warmer weather, we will be moving more of our learning to the outdoors. Welcome spring!
