A MESSAGE FROM THE TEACHER

This week we have a special recycle project to help us celebrate Earth Day. Due date is not until April 25, but we will be sharing our projects at *Morning Meeting* as they come in. A copy of this fun assignment was sent home last Friday in the homework folder and is attached to this newsletter's e-mail. Parent help is allowed and encouraged.

Next Monday is our field trip to Natural Bridge. Attached is some helpful information about what to bring and what to expect. An additional reminder will be sent later this week with an updated weather forecast. Remember, we will return at 4:00, so parent pick up is required.

LAST WEEK'S HIGHLIGHTS

Literacy: *Jack and the Beanstalk*, small group novels and short stories, story elements for independent reading, read aloud: *The Tale of Despereaux*

Writing: cursive writing, weather research, choice of prompt writing

Math: began unit 7 with fractions of sets and wholes. Also, review of add and subtract with regrouping, time and money

Science: Weather: extreme weather research, began plants and animals unit, nature scavenger hunt

Other fun stuff: *Spring Break Souvenir* shares, STEM: begin *Jack and the Parachute Challenge*
