A MESSAGE FROM THE TEACHER

Hello parents! This Wednesday begins the 2nd Grade ABC Countdown, our way to make the last 26 days of school fun and engaging. Check out the attached calendar with all the fun things we have planned. This is also on the calendar on the Weebly and sent home in the homework folder.

Our field trip is a little over 2 weeks away. Please send in your field trip permission form and student and parent fees by this Thursday.

In Guidance students are learning about the *Zones of Regulation* to help them become more aware of their emotions so they can better regulate their feelings and improve their ability to handle challenging situations. The four zones are compared to traffic signals; green-good to go, yellow-time to slow down, red-stop, and blue-time to rest. Students are learning how to identify what zone they are in and how to access the tools that will help them get back to green.

LAST WEEK'S HIGHLIGHTS

Literacy: *The Happy Lion, Nuts to You*

Writing: cursive writing, Bio-Poems, National Symbols research

Math: metric measurements, the metric Olympics, identifying and labeling partial units, time to the 5 minutes

Science/SS: National Symbols, Earth Day, Guidance

Other fun stuff: School Play, *Holes*, sharing recycle projects, gardening front beds for Earth Day
