A MESSAGE FROM THE TEACHER

Hello parents! Last week we started working on word study. All students in second grade have the same initial list. The purpose of giving this first easy list is so students can learn about the choices and routines of word study without focusing on how to spell the words. After this initial list students will be given lists every two weeks that are at their instructional level.

I hope to see everyone at *Back to School Night* Tuesday at 5:30. This will be a parent presentation rather than a family drop-in like *Open House*. I will be discussing the curriculum and methods of instruction used in our classroom and there will be time for questions. Please attend!

LAST WEEK'S HIGHLIGHTS

Literacy: *Iggy Peck Architect, The Sweetest Fig, Bad Day at River Bend*, introduction to word study routines, start book bags leveled reading

Writing: *Hopes and Dreams, All About Me*

Math: strategies for 2 digit addition and subtraction problems, introduction to *Reflex Math* web app, counting coins, Plus 1 or 2 Bingo

Other Fun Stuff: *Save Fred*, sharing *Summer Souvenirs*, STEAM activity: Marshmallow Tower Challenge
