### A MESSAGE FROM THE TEACHER A MESSAGE FROM THE TEACHER

Hello parents! I hope everyone enjoyed the long weekend. This week starts the beginning of a new quarter. With the new term we will be raising the bar a little with the **reading homework** by **increasing** the goal from 15 **to 20** minutes a night, four times a week. This will be our last increase for the year. The students are ready for this jump and it is essential we build up reading stamina to get them ready for 3<sup>rd</sup> grade. Thanks for all your continued support in helping your child become a better reader.

Next week 2<sup>nd</sup> grade will take the **CogAt test**. This is an aptitude test that students are not expected to study for. Look for a letter in today's homework folder for more details. The best way to prepare for the test is to get a good night's sleep, eat a good breakfast, and come to school on time.

### LAST WEEK'S HIGHLIGHTS

**Reading:** Read Aloud *Magic of the Black Mirror*, finish mid-year testing for reading and word study, snow globe themed books and video

**Writing:** Pre-writing activities for *If I Lived in a Snow Globe*

**Math:** assess unit 3: time to ½ hour, counting coins through \$1, + and – word problems with 2 digit numbers, place value through 500

**SS/Science:** Magnets, Martin Luther King

**Other Fun Stuff:** snow pictures, snowmen characters, bucket filling week
