A MESSAGE FROM THE TEACHER

Hello parents! I hope everyone enjoyed the long weekend. Last week we began some pre-year testing with fluency, explored math tools, and started getting into the groove of our classroom routines. I noticed the students love to participate! We also learned some unique things about each other we did not know before from our Mystery Bags!

We have lots of events coming up. Check out the calendar on our class Weebly. It has the county, school, and our class calendar all in one calendar. Click on an event or the week view to see more detail about many events. Events for the next 2 weeks will be in each week's newsletter as well.
