A MESSAGE FROM THE TEACHERS

Voluntary Show and Tell / Sharing
Now Open!

Now that we have worked our way through the beginning-of-year weekly share for all students, sharing time is open to voluntary sharing. Second graders are asked to share something more than a favorite toy. Some ideas are a souvenir, picture, or something they found on a family trip, something that connects to what we are studying, a craft the student made at home, a favorite book, something they collect, or stories about something that happened to them. Please encourage your child to share! Once a week would be great!
